An introduction to our
online payment service

www.parentpay.com

What does ParentPay do?

- enables you initially to pay for School Meals. Other items such as trips and workshops will be phased in later
- offers a highly secure payment site
- gives you a history of all the payments you have made
- allows you to create a single account login for all your children that attend a ParentPay school
- shows you all items available for payment relevant to each of your children
- emails a receipt of your payment to the email address you register
- offers you the ability to set automated email reminders

How does ParentPay help you?

- gives you the freedom to make payments to school whenever and wherever you like
- stops you having to write cheques or search for cash to send to school
- gives you peace of mind that your payment has been made safely and securely
- helps with budgeting; payments are immediate, there is no waiting for cheques to clear
- payments for residential trips can be made by instalments up to the deadline
- you will never need miss a payment, or have insufficient credit, with automated email alerts
- ParentPay is quick and easy to use

How does ParentPay help our school?

- reduces the administrative time spent on banking procedures
- keeps accurate records of payments made to every service for every student
- payments do not bounce
- reduces paper 'waste'
- improves communication between the school and parents concerning payments
- offers a more efficient payment collection process, reducing the amount of money held on school premises
- helps us improve school-home communication

How do I get started?

We will send you an activation letter on Monday 27th March 2017 containing your activation details to enable you to set up your ParentPay account.

If you have more than one child at a ParentPay school/s you can add them to a single account, providing one login for all children at ParentPay schools.
