

Message from Miss Snow

There has been lots going on this week with trips out and visitors in which are detailed below. The weather has turned even colder, so please ensure your child is suitably dressed for the weather and bringing a coat to school. The atmosphere around school is calm and purposeful and I am incredibly impressed with the high standard of learning across the curriculum. Have a fantastic weekend and we look forward to seeing you on Monday.

SAFE

This week in assembly, we spoke about positive behaviour and consequences.

It was reiterated again that children can speak to any adult in the school if something is bothering them.

There are also worry boxes and worry monsters in each class.

Happy

On Tuesday 28th January, M&M productions are coming to perform 'Beauty & The Beast' live in our Sports Hall! They came in last year and performed 'The Wizard of Oz'. Make sure you get your child's tickets via parentpay.

A fantastic time was had at the Young Voices concert on Wednesday at the O2. Children (and grown ups!) sang their hearts out and behaved impeccably! Thank-you to Miss Carr, Mrs Riley, Mr Mills and our parent helpers for accompanying the children and Miss Buckley for organising.

Silly Science

On Tuesday, Year 3 were visited by a 'Silly Scientist'. They learnt about chemical reactions, gravity and the 3 elements required for a fire. The children can't wait to learn more about these things in their Science IPC topic 'Shake it'.

LEARNING

Trainee teachers from the University of Greenwich spent the day with us again on Tuesday. This time their focus was SEND. They observed interventions and lessons as well as spoke to teachers and looked at books. Their feedback was incredibly positive.

Whilst half of Year 5 took part in the Young Voices concert on Wednesday, the other half continued learning! Mini models of Ancient Egypt were created. As well as showing off their history knowledge, many children also demonstrated their knowledge of 3D shape and origami!
