

Message from Miss Snow

What a fantastic half term we have had. There has been so many successes and achievements I do not have the newsletter space to list them! The teachers have already been thinking about next half term and you should have, by now, received your Topic Letter which details the learning and fun things planned for February and March. Don't forget to look at our website too where you will find the more detailed plans showing what the children will be learning. Also attached to the Topic Letters will be the homework that you can support your child with.

A reminder that children should come into school dressed in their PE kits on their PE days after half term.

Thank-you Mrs Frampton, Mrs Rowan and Mrs Hendron who put themselves forward to be parent governor. I can announce that Mrs Frampton was successful in being elected and she will attend her first meeting on the 23rd April. Thank-you to all those that voted.

If you have a spare moment over the half term break(!) please take the opportunity to fill in Ofsted Parent View. We always like to know what we are doing well and where we can improve. <https://parentview.ofsted.gov.uk/login?destination=/give-your-views/survey/131335>

Thank-you as always for your support and kind words. They mean a lot to staff and myself.

Have a lovely half term break. See you on Monday 24th February.

Diary Dates

24th February—Back to School

28th February—St David's Day (Wear white/yellow)

Tuesday 4th March—Parents' Maths Workshop and Showcase (EYFS/KS1) at Chatsworth

Thursday 6th March—World Book Day—come dressed as your favourite character if you wish (but please feel free to keep it cheap and simple!)

Friday 7th March—International Women's Day

REWARD ASSEMBLY

4T	1.Mia 2.Clara
4Y	1. Carter 2. Theo
5B	1.Gabriella 2.Ava
5S	1.Arjan 2.Niamh
6D	1.Sarah 2.Adri
6T	1.Darcy 2.Imogen
Sport	1.Harry (4Y) 2.Darcie (5B)
Kindness	Molly M (3B)
Cloakroom	6D

SAFE

This week Ms Turner presented an assembly about Stranger Danger. Again, the children asked lots of interesting questions and made lots of valid suggestions.

More information and tips can be found here: <https://safety4kids.com.au/safety-zone/stranger-danger>

Special Educational Needs—SEMH

Self-Care & Mental Health for Kids

Happy

An amazing £2990 was raised for Number Day. We are overwhelmed with your generosity and support. The monies raised will be split equally between the NSPCC and the school. The children are going to put their heads together and have a think about what it can be spent on.

Thank-you so much to everyone that sponsored the children.

LEARNING

Both Year 4 and Year 6 did some learning outside of the classroom this week for their IPC Exit Points.

Year 6 went to The British Museum and relished the opportunity to investigate artefacts from Benin as well as other historical objects. One child said: 'I can't believe I got to touch a bracelet that's over a thousand years old!'

More trips and experiences are planned for next half term :)
