

Message from Miss Snow

We've had a lovely week at Burnt Oak. We introduced a new award in assembly this week—The Cloakroom Star! Congratulations to 4T who are the first winners and as well as having the star trophy pride of place in their cloakroom, they will also receive extra playtime.

On another note, I've received positive feedback as well as suggestions since being back. I wanted to share that my door is always open and any feedback is always welcome. Please feel free to share your thoughts with me in the playground before or after school, or, if you have a more specific concern, to request a meeting.

As at Chatsworth, please ensure that no nut products are brought into school please. This is because we have some children with severe allergies.

Have a lovely weekend and we look forward to seeing you on Monday.

Safe

This week in assembly, we spoke about ways that we can be safe outside of school.

We've also had lots of conversations about sharing a worry to an adult or via a worry box. If we know about it—we can do something about

Happy

On Tuesday 28th January, M&M productions are coming to perform 'Beauty & The Beast' live in our Sports Hall! They came in last year and performed 'The Wizard of Oz'. Make sure you get your child's tickets via Parent Pay.

£344 was raised at the cake sales last week! All proceeds go towards the Year 3 Silly Science Workshop which is being held here on Tuesday.

Well done to the Girls Football Team who won 3-0 against Holy Trinity Lamorbey yesterday!

Comic Club

As you will be aware, children can run their own clubs. This half term, Year 6 students from 6D and 6T will be running a comic club during Friday lunchtimes. Please let Mrs Riley know if you'd like to attend. We are all really impressed with the comics which they have produced so far!

Learning

Excellent learning has been going on across the school.

Max in 4Y showed me some tricky mathematics problems which he had completed. He was very proud of himself! I also was really impressed with the presentation and handwriting efforts from Bobby, Maya and Matilda in Year 4 as well as Taha in Year 3.

Our students aren't the only ones learning. Trainee teachers from the University of Greenwich spent the day with us on Tuesday. Their focus was English and they were very impressed with the standard of reading and writing across the school and how articulate our children are.

Diary Dates

Tuesday 21st January—Y3 Silly Science Workshop

Wednesday 22nd January—Young Voices Concert

Tuesday 28th January—Beauty & The Beast Panto (in school)

Thursday 30th January—Girls Football Match Vs Poverest

w/c 3rd February—Children's Mental health Week
