

Message from Miss Snow

Yet another productive and busy week at Burnt Oak (two weeks until half term...!). Mrs. Harbor gave a very informative assembly about Lunar New Year and some of our children were keen to share their experiences. You will have hopefully seen my letter this week announcing that we have a vacancy for a parent governor for our School Board. Please ask in the office or speak to me on the gate if you require additional information about this. Next week is Mental Health Week and we have lots of activities planned focusing on this. Don't forget that it is also NSPCC Number Day on Friday—Dress up or wear something with a number on it and sponsor your child to take part in a Maths Agility Course! *Thank-you, as always, for your support and have a lovely weekend.*

Safe

Safer Internet Day 2025 will take place on the 11th February 2025, with celebrations and learning based around the theme **'Too good to be true? Protecting yourself and others from scams online'**

If you would like some additional information please have a look at this link:

Parent View

A reminder that you can give your views at any time to Ofsted. Click on the logo above to take you to their site. I will also be ask for volunteers for a parent working party. The aim is to meet each half term to feedback your views (over tea & coffee!) Watch this space for more information about this.

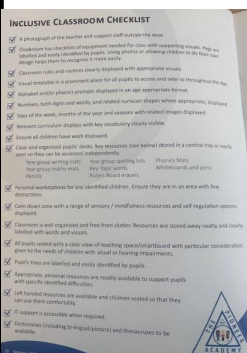

Learning

Here at Burnt Oak, we understand that all children learn differently and some children need additional challenge or more support. Each week we are going to be focusing on an area of need and suggesting ways that you can help your child at home.

We have an 'inclusive checklist' for all classrooms in our school.

All rooms have these things so that children are

in an environment which helps them to learn.

Happy

On Tuesday 28th January, M&M productions performed 'Beauty & The Beast' live in our Sports Hall! The children had the best time and gave it 5 star reviews! We hope for M&M to return next academic year to perform for us again.

On Monday, Mr Mason-Ellis spoke to staff, pupils, parents and governors to obtain their views on life at Burnt Oak. Overall, the visit was really positive and I was really happy with how it went. Thank-you to all those that contributed to this day and provided constructive feedback.
