

Message from Miss Snow

What a fantastic week we've had! It was wonderful to see the children enjoying our VE Day celebrations on the field alongside Chatsworth. The sunshine, music, and shared activities brought a real sense of community and joy—thank you to everyone who helped make it such a memorable occasion. As we head into next week, we'd like to wish our brilliant Year 6 pupils the very best of luck with their SATs. We know how hard they've been working, and we're so proud of their resilience and determination. This time next week, the tests will be behind them, and we'll be turning our focus towards an exciting next chapter—supporting them with their transition to secondary school. *Have a lovely week :)*

Attendance

Congratulations to 5B who once again achieved 100% attendance this week! 4T are hot on their heels with 99.1% attendance! Well done to both classes.

Happy

We've had some wonderful contributions to our 'Happy' section this week—both shared by proud parents keen to highlight their children's recent achievements!

First, Jackson's mum told us about an exciting weekend of rugby, where Jackson, Daniel, and Matilda (Year 4) played two full days of matches representing Sidcup. The highlight? Receiving their medals from none other than former England player Jason Robinson—what an incredible experience!

Meanwhile, Emily's mum shared that Emily was photographed by the *Daily Mail* at their VE Day street party on Monday. A lovely moment captured and shared as part of the national celebrations!

Safe

The Children's Burns Trust offers an engaging and educational sun safety presentation tailored for children. This video covers topics such as UV rays, sun damage, and practical prevention techniques. It's a great way to support your child's understanding of sun safety. <https://cbtrust.org.uk/news-stories/slip-slop-slap-sun-safety-for-children/>

Learning

Some of our learning this week has focused on the 80th anniversary of VE Day. We began with an informative assembly where pupils learned about the historical significance of the event, followed by a respectful two-minute silence on Thursday to mark the occasion. Year 5 also had the opportunity to visit the Tower of London, where they saw the commemorative poppies displayed outside—an important and moving tribute to those who served.

Diary Dates

W/C 12th May—SATs week including breakfast

Thursday 15th May—Y3 Swimming & Census Day

Friday 16th May—Y3 in school visit 'Inside Benjamin's House'

W/C 19th May—Y6 Bikeability Week

Social Media

As well as having a twitter page:
