

Message from Miss Snow

I hope you all had a restful week and enjoyed spending some quality time together. As ever, we've been amazed by the fantastic project work completed over the holidays—thank you for supporting your children with these. We hope you enjoyed being part of the learning process! Good luck to our Year 4 children who will be taking their multiplication assessments next week. A little last-minute practice can be done at: [urbrainy.com/mtc](https://www.urbrainy.com/mtc)

Wishing you all a relaxing and enjoyable weekend.

Ofsted Parent View

A plea to please fill out the Ofsted Parent View for Burnt Oak Junior School if you haven't already (We haven't asked you in a while!)

Attendance

Congratulations to **5S**, our attendance champions this week with an impressive **96.9%** attendance! Your class will receive the **attendance trophy** and enjoy some **extra play-time** after it has been announced in next week's Reward Assembly. Well done!

Safe

As we head into the warmer months, our safety theme for this half term is **Water Safety**. Children will be learning how to stay safe around rivers, lakes, beaches, and swimming pools. To support this, here's a short video suitable for Key Stage 2 children to watch at home:

Learning

Year 4 returned to school on Tuesday full of excitement after a fantastic visit to the Transport Museum. They learned so much and had a brilliant time exploring the exhibits.

A big thank you to the parents who came along to support—we truly couldn't do it without you!

Welcome

Hi!

We're delighted to welcome Harry, who has joined both Chatsworth and Burnt Oak to gain valuable work experience in PE. He will be supported in his role by Kelsi and Mia, who work for the [Shaw Trust](#). Harry will be at our schools until the end of term.

The children have already shown great kindness and made Harry feel very welcome. This promises to be a mutually beneficial experience for everyone involved.

welcome

Happy

We're thrilled to share that Burnt Oak Junior School has been awarded the Gold School Games Mark for the second year running! This national award recognises our commitment to sport, physical activity, and teamwork across the school and local community.
