

Message from Miss Snow

As we move into the final few weeks of term, it's been another busy and positive time across the school! We'd like to wish our Year 6 pupils lots of fun and adventure as they head off to the Isle of Wight next week. It's a well-deserved trip, and we know they'll create memories that last a lifetime. This week, Year 2 pupils have continued with their transition activities in preparation for moving up to Key Stage 2. A big thank you to the Year 6 pupils who helped guide them through the activities—you did so beautifully and showed real maturity and kindness. On Tuesday, we were pleased to welcome Early Career Teachers new to The Pioneer Academy for a day of training hosted at our school. They were all full of praise for the polite, respectful behaviour of our pupils. Special thanks to 4T for giving up their classroom for the day—we really appreciate your flexibility and cooperation. Finally, most of our Year 6 children attended transition days at their new secondary schools this week. It's an exciting step, and we're proud of how well they represented our school as they prepare for the next stage of their journey. *Have a lovely weekend!*

Safe

To keep everyone safe, students and visitors should not ride bikes or scooters on school grounds—both when arriving and when leaving. It's great to ride to and from school, but once on school property, please walk your bike or scooter to and from the racks. This helps prevent accidents and keeps everyone safe. Thank you for helping us keep our school a safe place for all!
