

Message from Miss Snow

It's been another exciting week of learning here at Burnt Oak! Across the school, children have been fully engaged in hands-on workshops, thoughtful discussions, and some brilliant creative work — it's wonderful to see such enthusiasm. A big well done to our boys' football team, who played brilliantly and finished as runners-up in their recent tournament — we're incredibly proud of their teamwork and determination. And a huge good luck to our girls' football team, who won on Wednesday so will be representing Burnt Oak at Goals Bexleyheath this Friday. We know you'll do us proud!

Attendance

Congratulations to **3 Tsang** our Attendance Award winners this week with **99.4%** attendance. The star trophy and extra play are on it's way to you!

Happy

Thank you for your generous donations to our Harvest Festival! All contributions will be donated to Bexley Foodbank to support families in need. You can find more information about their work here: <https://bexley.foodbank.org.uk>

On Thursday, Miss Buckley led a lovely assembly explaining the important role Bexley Foodbank plays in our community. The children also sang a selection of harvest songs — including everyone's favourite, "Harvest Samba"!

Diary Dates

Tues 7th Oct—African Drumming workshop (in school—all years)

Fri 10th Oct—Grandparents Day 2.15-3pm

Mon 13th Oct— Y4 Ancient Egyptian Workshop

Tues 14th Oct—Parents' Eve 3.40-6pm

REWARD ASSEMBLY

There was no assembly today due to the exciting workshops taking place for Year 5 and Year 3. We look forward to celebrating your achievements next week and hearing all about what you've accomplished outside of school.

Safe

Please remind children to stay safe and be seen as the evenings get darker.

Learning

Today, we had not one but two exciting in-school visits!

Year 5 were lucky enough to step into the Wonderdome, which popped up in our sports hall. They explored the planets, learned about constellations, and asked some incredibly thoughtful questions.

Meanwhile, Year 3 enjoyed a fascinating workshop from Benjamin Franklin House, where they learned all about how the human body works. They also took part in engaging activities and impressed the visitors with their insightful questions.

Don't worry, Year 4 and Year 6 — exciting things are planned for you too!
