Attendance

Congratulations to our Attendance Superstars – 3T! Well done to Tsang Class who have lifted the Attendance Trophy in our reward assembly for the second week in a row!

With an impressive 99% attendance, they've shown fantastic commitment and teamwork. Keep up the amazing effort, 3T – you're setting a brilliant example for everyone!

Learning

As part of our Cultural and Diversity school development plan target, we were delighted to welcome The Education People into school to lead engaging African drumming and dance workshops. The children thoroughly enjoyed the sessions and learnt about a variety of tribal traditions and rituals, deepening their understanding of African culture through music and movement.

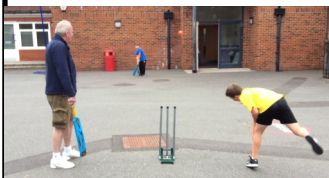

Safe

Following recent events in Sidcup that led two local schools to initiate lockdown procedures, we want to reassure you that the situation has been resolved and Burnt Oak was not affected. However, as a precaution and in line with DFE guidance and our Health and Safety policy, we will be conducting practice lockdown and fire drills in the coming weeks. These drills help ensure everyone is confident and prepared in the unlikely event of an emergency. More information will follow. Thank you for your continued support in keeping our school community safe.

Happy

On Friday, we had a fantastic afternoon celebrating Grandparents' Day by inviting grandparents into our classrooms – and what an incredible turnout we had, with over 250 visitors joining us! Grandparents actively joined in with our learning, taking part in a

range of afternoon lessons including PE, art, and more. The event ended with refreshments and plenty of smiles. Even some of our teachers welcomed their own grandparents, making it an extra special day. This heart-warming event is a much-loved part of the Burnt Oak & Chatsworth tradition, and we're so grateful to everyone who helped make it such a success.
