

Message from Miss Snow

We've had a great week! I visited several maths lessons on Tuesday and was really impressed with everything taking place. I saw self-motivated, independent learners who weren't afraid to tackle challenging problems and even created their own investigation questions — fantastic work from everyone! Rehearsals for the school play and carol concerts are also well underway. Singing is being perfected, dance moves are being added, and the children are speaking with confidence — comic timing is nearly on point! We can't wait to see the performances. Thank you to those who came along to our coffee morning yesterday. I now have a helpful list of things to explore, and I truly appreciated the positive feedback. We will be hosting another coffee morning in the Spring Term. Have a lovely weekend!

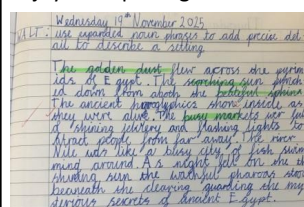

Learning

Year 6 had a fantastic time at the Imperial War Museum today, learning all about World War II as part of their IPC topic. The visit brought their studies to life and gave them a brilliant opportunity to deepen their understanding of this important period in history. 6T have also been learning about the Buddhist festival of Vesak and

have created some fantastic artwork inspired by their learning. The children have really enjoyed exploring the traditions and significance of this important

celebration. I'm loving reading Year 5's setting descriptions about ancient Egypt. Here's an excellent example from Harry (5S) — not only is the writing imaginative and detailed, but his handwriting is also superb! Well done, Harry!

Attendance

Class 3B have claimed the attendance trophy for the third week in a row, narrowly edging out their close (attendance) rivals 3T in another tight race. Will anyone manage to break their winning streak next week? Stay tuned — the competition is heating up!

Safe

We understand that children want to wear beautiful earrings in school; however, we kindly ask that children wear only small studs or hoops that sit close to the earlobe. We've noticed a few dangly earrings recently — while they look lovely, they can easily get caught or pulled during play, and we want to avoid any risk of injury.

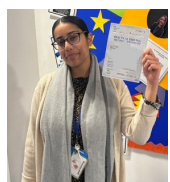

Happy

We're delighted to share some happy news from our staff team. Ivy Grace Cooper arrived on 13th November, weighing 8lb 2oz. Both Mrs Cooper and baby Ivy are doing well, and we look forward to welcoming them in for a visit soon. Congratulations to the Cooper family!

We had a very special celebration in school this morning! Miss Sadhra was a little late to work — for the best possible reason — she was busy passing her driving test! The assembly hall erupted into rapturous applause when she shared the news. Well done, Miss Sadhra!
