

Message from Miss Snow

Welcome back after the half-term break! We hope everyone enjoyed a well-deserved rest during the two-week holiday. It's a busy and exciting time ahead with lots of events and trips planned for every year group over the coming weeks.

Auditions for the Year 3/4 play began today, and the children are already showing great enthusiasm! Year 5 & 6 will begin rehearsing in the coming weeks.

Miss Adamson has also had a big clear-out of the lost property, and all named items have been returned to their owners. A gentle reminder to please label all school uniform and belongings, as this makes it much easier to return items to their rightful owners. Don't forget to follow us on Instagram for updates, photos, and celebrations of school life:

@cisbojtpa

@thepioneeracademy2011

This week, you might spot that we've reposted Mr Kimberley's impressive forward roll — he was very proud of himself! Wishing everyone a lovely weekend!

Happy

This week, Mr Bevan led an informative presentation about next year's Isle of Wight trip. For anyone who missed the session or would like to read through the details again, you can find all the information here: [Isle of Wight Residential Visit](#) We can't wait for another exciting adventure next year!

Attendance

A big congratulations to Class 3B, who have claimed the Attendance Trophy this week! It was a tight race for the top spot, but 3B came out on top with a perfect 100% attendance — an amazing achievement! Class 3T put up a fantastic effort too, finishing a close second with an impressive 99.4%.

Safe & PTA Fireworks

We're looking forward to seeing as many of you as possible at our annual firework display this evening! Earlier this week, Miss Mills led a very informative assembly all about staying safe around fireworks — thank you, Miss Mills! If you'd like to learn more about firework safety, you can visit: [Child Accident Prevention Trust – Firework Safety](#)

Bye Bye (for now) Mrs Cooper

This week, we said goodbye and good luck to Mrs Cooper as she begins her maternity leave. We wish her all the very best as she prepares for baby Cooper's arrival — how exciting! Mrs Cooper has promised to visit and introduce the newest member of the family as soon as she can!

Learning

Here are some photos of Y3 completing their entry point, "Bright Sparks," on Tuesday. The children worked brilliantly in small groups to create their own electrical circuits before going on a tour around Burnt Oak to identify areas of necessary and unnecessary electricity usage. They've promised to share their findings with our Eco Council, who will use the information to help create a plan of action to reduce unnecessary electricity use across the school.

Diary Dates

Fri 7th Nov—PTA Fireworks

Tues 11th Nov— Y4 Trip to Benjamin Franklin House/Remembrance Day/Head Pupils visit South Norwood
