

Message from Miss Snow

We've come to the end of another half term already. Although it has been a short one, it has certainly been a busy and productive few weeks, and the break is very well deserved by all. Today, we were delighted to celebrate Elsie and Arjan, who were awarded a golden tie in recognition of their excellent behaviour and outstanding attitude to their learning in Year 6. We are very proud of them both. There is plenty to look forward to next half term, including the upcoming KS2 SATs for our Year 6 pupils. We know they will continue to work hard and do their very best. Thank-you to the PTA for the chocolate eggs! Wishing you all a restful and enjoyable break.

Happy

It has been a wonderful week with lots to celebrate across the school.

On Tuesday, Mr Mason-Ellis visited and spent time looking at all the fantastic work taking place. He spoke with staff, parents and children, and shared some excellent feedback about how safe, happy and focused on learning our school is. He was so impressed that he even treated the staff to pizza—much appreciated by all!

Last Thursday, our Year 4 and Year 6 children represented us at the Bexley Music Festival, singing and playing the ukulele beautifully. They performed with great enthusiasm and confidence, and truly did us proud.

We also celebrate our Year 3 and 4 pupils who, yesterday, successfully retained the TPA Cross Country Trophy. This was a fantastic team effort, with some excellent individual performances contributing to the overall success.

Safe

A gentle reminder to keep safe while out and about during the Easter holidays— whether that's taking care near roads, parks or water, and making the most of the (hopefully!) brighter weather. If children are spending time online or gaming, it's always helpful to keep an eye on what they're accessing and who they're interacting with.—We say this because we care!

Learning

Thank you to all parents and carers who attended Parents' Evening this week. We hope you found the meetings useful and enjoyed the opportunity to see and discuss your child's learning. Topic letters have been sent home today, which include ideas for Easter homework as well as information about the learning planned for next half term. Further details can also be found on our website.
