

Message from Miss Snow

We've had a fantastic first week back, with the children settling in beautifully—lots of happy faces and even some sunshine to enjoy! Year 5 had a brilliant visit to The Valley on Friday and were delighted to see the home team win, ticking off another experience on their Pioneer Passport. On Wednesday, 24 lucky children were selected from the draw to represent Burnt Oak at the London Mini Marathon on Saturday, and we look forward to hearing all about their amazing experience. All pupils will also be taking part in Burnt Oak's own Mini Marathon on Thursday as part of this new tradition, and we are excited to welcome pupils from Chatsworth to join us. *Have a lovely week!*

Happy

Just before Christmas, Leo (3T) was chosen to represent his academy, Rondos, at an international football tournament in Barcelona over the Easter holidays. Playing in the U8 team, he faced strong opposition from across the world and rose to the challenge brilliantly, helping his team go through the group stages without conceding a goal. They went on to beat teams from Korea and Miami in the knockout rounds before winning the final 6–1 against a Spanish side, despite going 1–0 down early on. Leo made a fantastic contribution throughout, scoring a great goal and setting up many others, and was part of a historic moment as Rondos became the first British academy to win a tournament double. It was a special experience for Leo and his family, and one we are very proud to share as a school.

Safe

We hope you have seen the recent message about the School Council's poster competition, which highlights the importance of not stopping on the yellow lines or zig-zags when dropping off or picking up children. Please support their efforts by parking considerately and helping to keep all of our pupils safe.

Learning

It's been wonderful to see so many creative learning projects brought in after the Easter break—they look fantastic! Entry Points have also taken place this week, helping to

immerse the children in their new topics. Thank you for your support at home; we're looking forward to seeing how the children's learning develops over the coming weeks.
