

Message from Miss Snow

SATs week has finally come to an end — possibly the longest week in the world! I am incredibly proud of our Year 6 children, who approached the week with resilience, maturity and determination. They truly gave their all. A huge thank you also goes to the staff team for all of the organisation behind the scenes and to the rest of the school for being so calm and considerate throughout a week where SATs certainly dominated! We are very much looking forward to returning to normality next week.

Safe

You may have seen my earlier message regarding squidgy toys in school.

We are aware of online trends involving children microwaving or heating these toys. Please be aware this can be extremely dangerous and may cause burns or injury.

Please reinforce with children that toys should never be heated or microwaved.

Learning

What beautiful artwork from 5B this week! They used pastels to explore nature's light and shade, creating some

fantastic pieces of artwork. We are very proud of their creativity and attention to detail.

Happy

Happiness is... our Year 6 children enjoying breakfast club together all week and ending Friday afternoon playing traditional fairground games after all of their hard work during SATs week!

Uniform

A polite reminder regarding school uniform expectations please. On non-PE days, children should be wearing school shoes rather than trainers, even if they are attending a sports club after school. We do understand that occasionally items may break or children may outgrow things unexpectedly, but we do ask that every effort is made for children to attend in the correct uniform.

Please can we also remind parents that earrings should be studs or very small hoops only — nothing dangly or large enough for a finger to pass through, as this is a safety issue.

For Year 6 children, we are happy for hoodies to continue being worn to and from school. However, these should be removed in the classroom, so children should still be wearing their school jumper underneath.
