

### Message from Miss Snow

Considering it was a four-day week, this one was certainly busy, with lots jam-packed into the shorter week!

Year 6 SATs begin next week and we are already incredibly proud of the children for all of their hard work, resilience and positive attitudes leading up to the tests. We know they will do their very best.

I also had a productive PTA meeting on Tuesday evening, with lots of exciting events planned for the Summer Term. Dates for these events, along with our in-school events, will be shared shortly. *Have a lovely weekend!*

### Learning

Year 6 wrote some fantastic poems inspired by theme parks this week. They demonstrated brilliant creativity, ambitious vocabulary and excellent use of poetic devices to bring their writing to life. They also decorated their poems beautifully, making each one unique and eye-catching!

### Safe

Miss Carr has now completed her Designated Safeguarding Lead training and is officially someone you can go to should you or your child have a worry or safeguarding concern. A reminder that our other safeguarding leads are Miss Snow, Miss Buckley and Mrs Harbor.

Congratulations to Aditi (Year 3), Annie (Year 6) and Rosie (Year 5), who were chosen as the winners of our Road Safety Competition with their fantastic posters! Our School Council found it impossible to choose just one winner, so selected all three entries. We are now liaising with the banner company to see if they can work their magic and create something that includes all three designs. Well done girls – and thank you to everyone who took part and helped spread such an important road safety message!

### Happy

Happiness is... sporting opportunities at The Valley, a convincing Year 3 football win against our neighbours taking part in a TPA tournament (see our Instagram for the result!) and celebrating Sir David Attenborough's 100th birthday by joining a live assembly with thousands of others across the country!
